

Dockside Chatter

MCDANIEL YACHT BASIN

SPECIAL POINTS OF INTEREST:

- Hurricanes :(
- Yard Party :)
- Winter Storage Contracts
- Great Discounts
- We're Full!

SEPTEMBER 2010

August presented us with hot delightful weather, offering ample opportunity for wonderful boating. As we move into September a series of hurricanes are looming as they travel from Africa to the east coast.

McDaniel's offers a natural safe harbor due to its location; however, steps to protect your boat are still necessary. Just a few reminders-

1. Extra dock & spring lines.
2. Put canvas & eisenglass down.
3. Move dock boxes to high ground.

4. Take high antennas down.

5. Leave slack in your electric cords.

6. Remove anything laying on the dock.

7. Put fenders out.

The yard party went off as planned and hopefully all that attended enjoyed themselves. Our thanks to the Nauti Goose staff for a great job and good food.

The party is designed to thank our customers in a small way for

their loyalty and business, and it's also a great way for new customers to meet and greet other slip holders.

The yard is at 100% occupancy. In other words, there is NO room in the INN!!

Winter storage contracts were mailed on August 29th. Prices remain the same as in 2007 and the contract format remains the same as well.

For returning customers, our discounts are offered again for early responders.

COUPLE MORE THOUGHTS

Mark your calendars for the upcoming Annapolis Boat Show! October should be fun-filled!

And then - our open house! Details are being kept quiet at the moment, but I am sure it will be another great

time for the McDaniel Yacht Basin family.

Until next month!

Regards-
Dan Mac
